

Guidelines for iOS Device Users in Conducting Testing

- 1) Access the email received from Apple's TestFlight and select 'View in TestFlight.'

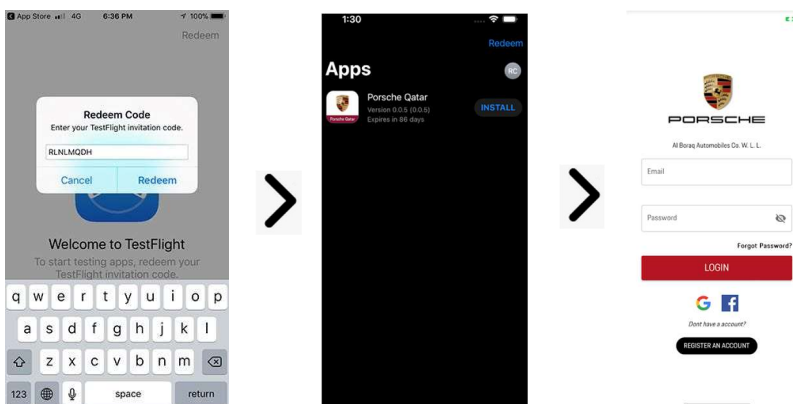

- 2) Make a record of the redemption code mentioned in highlighted code below.

- 3) Launch the App Store and search for 'TestFlight,' then proceed with the installation.

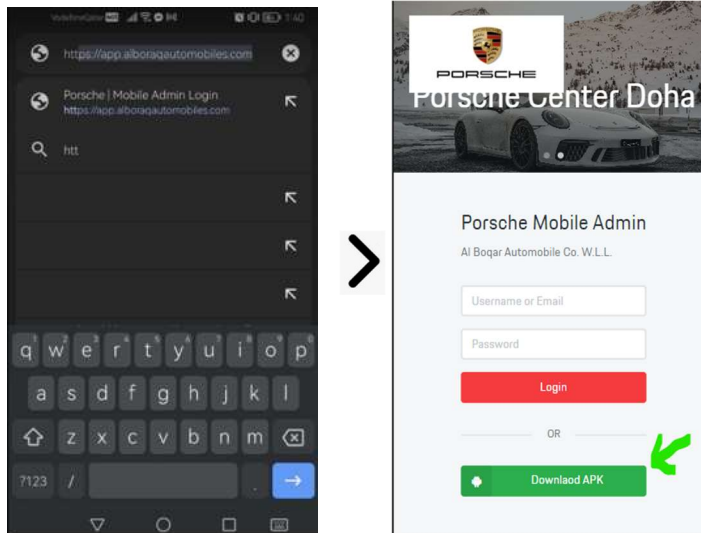

- 4) After installation, launch the app, select 'Redeem,' and enter the code sent to your email. You can now begin testing the mobile app.

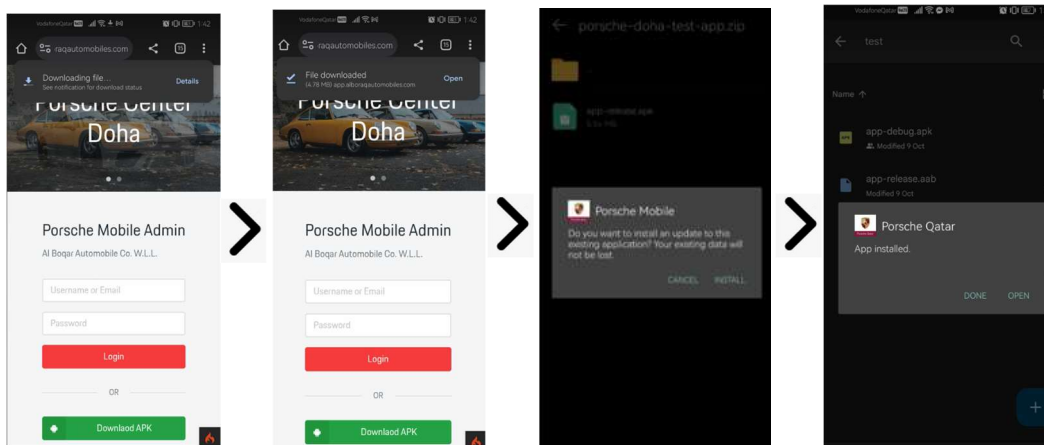

Guidelines for Android Device Users in Conducting Testing

- 1) Open Mobile Browser and type <https://app.alboraqautomobiles.com> and click download

- 2) After the download open the file and install the apk inside the zip file

- 3) You can now begin testing the mobile app.
